Richkus, W.A., *see* Summers, J.K. et al.
Rosenberg, R. and Palmén, L.-E. (Lysekil, Sweden)
Composition of herring stocks in the Skagerrak-Kattegat and the relations of these stocks with those of the North Sea and adjacent waters 83
Ross, R.N., *see* Summers, J.K. et al.
Saetersdal, G. (Bergen, Norway)
Book review of *The Politics of Pacific Island Fisheries* by G. Kent 350
Shelton, R.G.J. and Hall, W.B. (Aberdeen, Great Britain)
A comparison of the efficiency of the Scottish creel and the inkwell pot in the capture of crabs and lobsters 45
Smith, P.E. (La Jolla, CA, U.S.A.)
Book review of *Fisheries Oceanography and Ecology* by T. Laevastu and M.L. Hayes 346
Stewart, P.A.M. (Aberdeen, Great Britain)
An investigation into the reactions of fish to electrified barriers and bubble curtains 3
Stober, Q.J. and Tyler, R.W. (Seattle, WA, U.S.A.)
Rule curves for irrigation drawdown and kokanee salmon (*Oncorhynchus nerka*) egg to fry survival 195
Summers, J.K., Richkus, W.A., Ross, R.N. (Baltimore, MD, U.S.A.) and Ulanowicz, R.E. (Solomons, MD, U.S.A.)
A statistical model of white perch (*Morone americana*) harvest assessment in relation to environmental variation 289
Suomala, J.B. (Cambridge, MA, U.S.A.)
Book review of *Echo Sounding and Sonar for Fishing* 177
Tongiorgi, P., *see* Torricelli, P. et al.
Torricelli, P. (Parma, Italy), Tongiorgi, P. (Modena, Italy) and Almansi, P. (Parma, Italy)
Migration of grey mullet fry into the Arno river: seasonal appearance, daily activity, and feeding rhythms 219
Troadec, J.-P. (Rome, Italy)
Book review of *A Research Framework for Traditional Fisheries* by I.R. Smith . . 185
Tyler, R.W., *see* Stober, Q.J. and Tyler, R.W.
Ulanowicz, R.E., *see* Summers, J.K. et al.

Vanderpuye, C.J. (Akosombo, Ghana)
Further observation of the distribution and abundance of fish stocks in Volta Lake, Ghana 319
Vestnes, G., *see* Blindheim, J. et al.
Wakeman, J.M. (Ruston, LA, U.S.A.) and Wohlschlag, D.E. (Port Aransas, TX, U.S.A.)
Least-cost swimming speeds and transportation costs in some pelagic estuarine fishes 117
Walch, L.A. and Bergersen, E.P. (Ft. Collins, CO, U.S.A.)
Home rage and activity patterns of lake trout in central Colorado 311
Watson, D.J. (Guelph, Ont., Canada)
Subsistence fish exploitation and implications for management in the Baram River system, Sarawak, Malaysia 299
Wohlschlag, D.E., *see* Wakeman, J.M. and Wohlschlag, D.E.
Wyman, R.L. (Oneonta, NY, U.S.A.)
Book review of *Meeting on Hydroacoustical Methods for the Estimation of Marine Fish Populations* by J.B. Suomala and K.I. Yudanov (Editors) 179

SUBJECT INDEX

Acoustics
Energy in acoustic echoes from fish aggregations 129
Hydroacoustical methods for estimating marine fish populations (book review) . . 179
Ship-borne data logging and processing system for acoustic fish surveys 141
Barrier
Reactions of fish to electrified barriers and bubble curtains 3
Behaviour
Fish behaviour and fisheries (book review) 267
Home range and activity patterns of lake trout in central Colorado 311
Migration of grey mullet fry into the Arno river: seasonal appearance, daily activity, and feeding rhythms 219
Reactions of fish to electrified barriers and bubble curtains 3
Biomass
Estimate for Alaskan fur seals 55
Boats
Ferro-cement fishing craft (book review) 75, 269
Body weight
Life table and biomass estimate for Alaskan fur seals 55
Callorhinus ursinus
Life table and biomass estimate for Alaskan fur seals 55
Clupea harengus
Composition of herring stocks in the Skagerrak-Kattegat and the relations of these stocks with those of the North Sea and adjacent waters 83
Communities, demersal
Analysis of experimental trawling using a miniature otter trawl to sample demersal fish in shallow estuarine waters 235
Confinement
Reactions of fish to electrified barriers and bubble curtains 3
Crustaceans, general
Comparison of efficiency of Scottish creel and inkwell pot in capture of crabs and lobsters 45
Data logging
Ship-borne system for acoustic fish surveys 141
Distribution
Further observation of the distribution and abundance of fish stocks in Volta Lake, Ghana 319
Drag
Of four-panel demersal trawls 23
Echo
Echo sounding and sonar for fishing (book review) 177
Energy in acoustic echoes from fish aggregations 129
Economics
Model of the world fish meal market 271
Editorial
International issue of fisheries research 191
Scientific research for the fisheries of today and tomorrow 1
Environmental factors
Fisheries oceanography and ecology (book review) 346
Statistical model of white perch harvest assessment in relation to environmental variation 289

Estuaries
Analysis of experimental trawling using a miniature otter trawl to sample demersal fish in shallow estuarine waters 235
Exploitation
Subsistence fish exploitation and implications for management in the Baram River system, Sarawak, Malaysia 299
Feeding and nutrition
Dynamics of California sea lion predation on Pacific hake 163
Migration of grey mullet fry into the Arno river: seasonal appearance, daily activity, and feeding rhythms 219
Ferro-cement
Ferro-cement fishing craft (book review) 75, 269
Fisheries research, general
Anniversary volume — fish science and technology (book review) 71
ICES and marine research (book review) 261
Fish, general
Adjusting catch curves for gill net selection with the logistic distribution 155
Analysis of experimental trawling using a miniature otter trawl to sample demersal fish in shallow estuarine waters 235
Energy in acoustic echoes from fish aggregations 129
Further observation of the distribution and abundance of fish stocks in Volta Lake, Ghana 319
Hydroacoustical methods for estimating marine fish populations (book review) . . 179
Least-cost swimming speeds and transportation costs in some pelagic estuarine fishes 117
Reactions to electrified barriers and bubble curtains 3
Ship-borne data logging and processing system for acoustic fish surveys 141
Fishing gear
Drag of four-panel demersal trawls 23
Subsistence fish exploitation and implications for management in the Baram River system, Sarawak, Malaysia 299
Fish meal
Model of the world fish meal market 271
Foods and feeds
Fish utilization (book review) 345
Food from the sea (book reviews) 72, 348
Model of the world fish meal market 271
Fry
Migration of grey mullet fry into the Arno river: seasonal appearance, daily activity, and feeding rhythms 219
Gill net selection
Adjusting catch curves for gill net selection with the logistic distribution 155
Guide for Authors 77
Hake, Pacific, *see Merluccius productus*
Harvest
Statistical model of white perch harvest assessment in relation to environmental variation 289
Herring, *see Clupea harengus*
Home range
And activity patterns of lake trout in central Colorado 311
Hydrodynamics
Least-cost swimming speeds and transportation costs in some pelagic estuarine fishes 117

Instrument package
Towed, for fisheries research in Great Barrier Reef waters 35
Joint ventures in world fisheries (book review) 74
Legislation and jurisdiction
Extended national fisheries jurisdiction (book review) 353
Fisheries law (book review) 266
Politics of Pacific Island fisheries (book review) 350
Life table
And biomass estimate for Alaskan fur seals 55
Management
Management of tropical multispecies stocks (book review) 182
Subsistence fish exploitation and implications for management in the Baram River system, Sarawak, Malaysia 299
Market
Model of the world fish meal market 271
Merluccius productus
Dynamics of California sea lion predation on Pacific hake 163
Migration
Of grey mullet fry into the Arno river: seasonal appearance, daily activity, and feeding rhythms 219
Modelling
Adjusting catch curves for gill net selection with the logistic distribution 155
Ecosystem modelling (book review) 262
Energy in acoustic echoes from fish aggregations 129
Identification of population levels giving maximum recruitment 251
Least-cost swimming speeds and transportation costs in some pelagic estuarine fishes 117
Of the world fish meal market 271
Regulation of stock characteristics in a simulated Atlantic salmon population 105, 354
Statistical model of white perch harvest assessment in relation to environmental variation 289
Morone americana
Statistical model of white perch harvest assessment in relation to environmental variation 289
Mullet
Migration of grey mullet fry into the Arno river: seasonal appearance, daily activity, and feeding rhythms 219
Multiple fish stock
Management of tropical multispecies stocks (book review) 182
Oncorhynchus nerka
Rule curves for irrigation drawdown and kokanee salmon egg to fry survival 195
Perch, white, *see Morone americana*
Politics
Pacific Island fisheries (book review) 350
Population
Further observation of the distribution and abundance of fish stocks in Volta Lake, Ghana 319
Hydroacoustical methods for estimating marine fish populations (book review) 179
Identification of population levels giving maximum recruitment 251
Population dynamics
Composition of herring stocks in the Skagerrak-Kattegat and the relations of these stocks with those of the North Sea and adjacent waters 83

Regulation of stock characteristics in a simulated Atlantic salmon population 105, 354
Predation
Dynamics of California sea lion predation on Pacific hake 163
Recruitment
Identification of population levels giving maximum recruitment 251
Reservoir
Rule curves for irrigation drawdown and kokanee salmon egg to fry survival 195
Salmonids
Biology of *Salvelinus* (book review) 187
Regulation of stock characteristics in a simulated Atlantic salmon population 105, 354
Salmon, kokanee, *see Oncorhynchus nerka*
Salvelinus namaycush
Home range and activity patterns of lake trout in central Colorado 311
Sampling
Analysis of experimental trawling using a miniature otter trawl to sample demersal fish in shallow estuarine waters 235
Seal, fur, *see Callorhinus ursinus*
Sea lion, California, *see Zalophus californianus*
Sonar
Echo sounding and sonar for fishing (book review) 177
Statistics
Adjusting catch curves for gill net selection with the logistic distribution 155
Model of white perch harvest assessment in relation to environmental variation 289
Subsistence fishery
Exploitation and implications for management in the Baram River system, Sarawak, Malaysia 299
Survival, juvenile
Rule curves for irrigation drawdown and kokanee salmon egg to fry survival 195
Techniques
Analysis of experimental trawling using a miniature otter trawl to sample demersal fish in shallow estuarine waters 235
Comparison of efficiency of Scottish creel and inkwell pot in capture of crabs and lobsters 45
Drag of four-panel demersal trawls 23
Reactions of fish to electrified barriers and bubble curtains 3
Ship-borne data logging and processing system for acoustic fish surveys 141
Towed instrument package for fisheries research in Great Barrier Reef waters . . . 35
Traditional fisheries
Research on traditional fisheries (book review) 185
Traps
Comparison of efficiency of Scottish creel and inkwell pot in capture of crabs and lobsters 45
Trawl
Analysis of experimental trawling using a miniature otter trawl to sample demersal fish in shallow estuarine waters 235
Drag of four-panel demersal trawls 23
Tropical floodplain
Fishery ecology of a tropical floodplain (book review) 265
Trout, lake, *see Salvelinus namaycush*
Tuna fishing (book review) 352
Zalophus californianus
Dynamics of sea lion predation on Pacific hake 163
